

Applying for a Master internship at CPT

Academic year 2018-2019

First and foremost, contact the supervisor of the internship project and discuss with him to prepare your candidacy.

Warning (!!): Due to a limited funding, the CPT director will fix the number of financial rewardings up to a max of 6 internships, unless the research teams have got another sources for financial support.

Students will be selected for these CPT financial rewardings based on the quality of their Masters record.

(This warning doesn't hold for students coming from French ENS or Ecole Polytechnique).

The application file will be made with

- The internship topic title;
- A motivation letter;
- A 1-page short CV;
- Transcripts of the 1st Masters year;

and [sent to the CPT director](#) as a unique pdf file.

In addition: a recommendation letter can also be addressed to the CPT director.
