

Large Scale Structure and Galaxy Flows

The registration process consists in two separated steps by completing:

1. the scientific registration form (hereafter): Deadline April 3rd, 2016.
2. the registration form for lodging / logistics purposes on the website [12th Rencontres du Vietnam](#): Deadline **March 3rd, 2016**.

All participants have to register for scientific purpose, but not the accompanying persons. Submitting your contribution is at this stage. Please fill and send this form to Roland Triay (CPT) - triay@cpt.univ-mrs.fr, and contact him if you want to submit/modify a contribution after the registration phase.

Scientific Registration Form (Deadline March 3rd, 2016)

Your Attendance

To schedule your contribution, could you please indicate your attendance in the following table:

	Morning	Afternoon
Sunday, July 3 rd		
Monday, July 4 th		
Tuesday, July 5 th		
Wednesday, July 6 th		
Thursday, July 7 th		
Friday, July 9 th		
Saturday, July 10 th		

If you do not submit a contribution, then skip the next section. To submit a talk or a poster, please fill the appropriate fields

The submission deadline for your contribution is July 3rd, 2016.

Contribution to a talk in plenary session

Talk Title:

Send email with title and abstract to: Roland Triay (CPT) - triay@cpt.univ-mrs.fr with the subject message = Cosmic-Flows Submission for a Contribution to Plenary Session

Contribution to a poster

Poster Title:

Send email with title and abstract to: Roland Triay (CPT) - [triay\[at\]cpt.univ-mrs.fr](mailto:triay[at]cpt.univ-mrs.fr) with the subject message = Cosmic-Flows Submission for a Contribution to a poster

Moreover, **an abstract is also required** (booklet and refereeing): retrieve this [compressed folder](#); write the abstract in [LaTeX](#); save your contribution into a folder (it must contain all the necessary files for compilation), with filename = F- I-T where F=your family name, I= first name's initials, T=type of contribution (T=Pl for plenary, T=Po for poster),

e.g. "Einstein-A-Pl"; fill the appropriate form below for specifying the title (in LaTeX if required); send your submission to the given email address with right subject.

You will be informed on the chosen session in due course.
